

# HELP PROTECT IMMIGRANTS IN LOCAL BUSINESSES

A joint project of Indivisible Denver Action (IDA) and Immigrant Partnership Teams (IPT)

LET'S SHOW OUR IMMIGRANT NEIGHBORS THEY ARE WELCOMED MEMBERS OF OUR COMMUNITIES

Sign up with the **Signs of Solidarity Group** to share Know Your Rights information with local businesses to help protect their employees from ICE.

- Visit local businesses in your neighborhood.
- Ask them to create a private area for employees that ICE cannot legally enter without a signed judicial warrant.
- Ask the business owners and managers to post signs that declare their support for their immigrant neighbors and opposition to ICE.
